

Keeping families close

For Immediate Release

Capital Subaru continues support for Ronald McDonald House Charities

(St. John's, NL – February 12, 2018) - Capital Subaru presented Ronald McDonald House Charities with a new branded promotional vehicle, a 2018 Subaru Outback. This is the third vehicle donation presented to Ronald McDonald House Charities since it opened to help families in September 2012. This promotional vehicle will continue to increase the awareness of Ronald McDonald House as they conduct their everyday business and continue their fundraising and awareness activities throughout the province.

Greg Stowe, General Manager, Capital Subaru said the company is totally supportive of Ronald McDonald House. "Families from all parts of Newfoundland and Labrador will benefit from Ronald McDonald House and we're proud to do our part to help provide the programs and services that families of sick children need during stressful times," he said. "We are delighted that we are in a position to give back to the families of our province."

Research indicates that children heal faster when they are surrounded by their families. Ronald McDonald House provides comfortable accommodations for children and families who travel to St. John's for specialized pediatric health care.

Ronald McDonald House Charities® Newfoundland and Labrador helps keep families with a sick or injured child close to each other and the care and resources they need, when they need it most. Open 24 hours a day/7 days a week, Ronald McDonald House features many common areas including a large kitchen, family room, television room, resource center, home office, children's play areas and laundry facilities. Ronald McDonald House is open to parents, siblings

and at times, extended family members of children receiving medical treatment in St. John's. It draws on a large pool of committed volunteers who help families feel at home.
