Want to start your own Lights of Love  
Campaign in your community?

Ronald McDonald House will erect a large outdoor Christmas tree on the grounds of Ronald McDonald House in St. John's and in participating communities throughout our province. The tree would be initially decorated with white bulbs and, with love, the tree will change to red.

Together, we can bring light to families at Ronald McDonald House for the holiday season.

# THE SEASON OF GIVING

# What is Lights of Love?

## "LIGHTS OF LOVE"

Christmas is an important time for families. At Ronald McDonald House it is a priority to celebrate special times of the year with families staying at Ronald McDonald House, especially during Christmas.

The Lights of Love Tree campaign is a wonderful way for individuals, businesses and communities to celebrate the strength of families in healing a sick child. This fundraising campaign is an important and festive initiative that will help raise awareness and funds for Ronald McDonald House Charities® Newfoundland and Labrador.

To start the Lights of Love Campaign, Ronald McDonald House will erect a large outdoor Christmas tree on the grounds of Ronald McDonald House in St. John's and in participating communities throughout our province. The tree would be initially decorated with white bulbs and, with love, the tree will change to red.

Donations will be used to keep families close to each other and the care and resources they need, when they need it most.
