The Skinner Family from Corner Brook, NL have been at RMHC NL since July 2019 when their 17 year old son Joshua was diagnosed with cancer. They've found a place, like home, at Ronald McDonald House until Joshua completes his oncology treatments and is strong enough to go home.

"RMHC NL supported us during one of the toughest experiences of our lives. We are so thankful for Ronald McDonald House for making us feel at home and thankful for the many new friends we have met here too." - Krista Skinner
