Meet Kaleb Slaney of Dunville

Having two children under the age of 5 years old is enough of a challenge as it is.

That challenge got all the more difficult for the Slaney family when 4 year old Kaleb was diagnosed with Acute Lymphoblastic Leukemia in 2015. Kaleb stayed at Ronald McDonald House while undergoing treatment that year. Kaleb got the opportunity to ring the bell and officially declare that he kicked cancer's butt in 2018 at the Janeway Children's Hospital. Kaleb and his family have become great advocates for Ronald McDonald House and even made it out to the 2nd Annual Day by the Bay Golf Day in 2019.
