Meet Jack Rowe of Deer Lake, NL

The emotional and logistical strain on families facing a child's serious illness is immense which for many families is compounded by their distance to medical care. Ronald McDonald House plays a vital role by providing not just a place to stay, but also a supportive environment that helps families stay close to their child and focus on what truly matters—getting them well. Ronald McDonald House keeps families with a sick child together and near the medical care they need, when they need it the most.

Four year old Jack Rowe faced his first metabolic crisis at 10 months old after a prolonged viral illness that led to severe dehydration and lethargy. With alarmingly high lactate levels and low bicarbonate, he was admitted to the hospital in Corner Brook before being airlifted to St. John's, where the family was advised to prepare for the worst. Jack was later diagnosed with TANGO2 disease, which is a genetic condition that can lead to seizures, which may cause brain damage, and it can also result in severe and potentially life-threatening heart rhythm abnormalities. It is a rare genetic condition. There is no cure. The fear and uncertainty of this rare condition was compounded by being seven hours from their home and extended family in Deer Lake.

"When a social worker suggested Ronald McDonald House as a place to stay during Jack's critical time, we were profoundly relieved to find not only accommodations but also a comforting community of support during a time we feared we'd spend it apart." said Rebekah, Jack's mom.

When Jack is affected by a virus or other illness, the family must remain on high alert and closely monitor his condition to prevent a potential metabolic crisis. This vigilant oversight is crucial to manage any complications and ensure his health and safety.

"We could never have received the same level of care and support anywhere like we did while staying at Ronald McDonald House. The proximity of the home to the hospital was precisely what we needed during this challenging time. Everything was thoughtfully provided, from the warm welcomes at the front door, to the comfortable rooms and nourishing meals. Our family was able to stay together, feeling both welcomed and understood during the most frightening times of our lives." continued Rebekah.

While Jack's medical journey is far from over, the Rowe Family have come to depend on the programs and services at Ronald McDonald House. Despite the families best efforts to prevent another metabolic crisis, the diagnosis of TANGO2 means there remains a possibility of such an event. Each year, Jack will have to continue with medical appointments in St. John's.

"The support provided by Ronald McDonald House is invaluable, as it helps us navigate the ongoing challenges and uncertainties of Jack's condition." said Rebekah.

House Programs

The kitchen is the heart of every home. Imagine being part of a wonderful program that would provide comfort directly to our families. Our **Home for Dinner** and **Just Like Nan's Baked Goods** programs are the easiest ways for groups to support families at Ronald McDonald House. Just organize your friends, co-workers or club members and prepare a meal or baked goods for up to 40 people. You pick the menu, purchase the ingredients and prepare the food here at Ronald McDonald House. This can be a great experience for your family or co-workers while providing a wonderful service to families with a sick or injured child. At the end of a long day at the hospital, families are truly relieved to come "home" to a home-cooked meal or freshly baked goods.

Through the **Adopt-a-Room Program** you can provide the most caring and practical support to families during this incredibly stressful time by providing a home-away-from-home. Adopt a family suite or a common area in Ronald McDonald House. Visit our website for details.

"Such a wonderfully rewarding program, where you can instantly see the difference you are making. It leaves you with the realization of how fortunate you are, the importance of helping others, and that sometimes, it is the little things that make all the difference. Sign up today! It is truly one of the most rewarding programs you/your organization will participate in."

5 WAYS YOU CAN HELP

1. Donate

Your donation help provide programs and services for families with a sick or injured child. Families can stay at Ronald McDonald House for only \$15 per night, however the actual cost to support a family is \$274. Your single gift or monthly gifts will have a tremendous impact to a sick or injured child and their families to be together and near the medical care and resources they need.

2. Volunteer

Volunteers make the difference in the lives of all the families that come through our doors - by cooking, by cleaning, by listening, by simply being there and helping. Volunteers are also needed throughout our province to help with awareness and fundraising.

3. Tribute Gifts

Donations may be made in memory of a family member, friend or colleague. The bereaved family receives a special notice expressing condolences and informing them that a gift has been made. You will receive a tax-deductible receipt.

4. Planned Giving

As part of your long-term financial planning, a planned gift can offer you substantial tax and estate planning benefits and allow you to make a lasting gift to Ronald McDonald House. It can be a gift that Ronald McDonald House receives now, or in the future. It's a way for you to be a key supporter while meeting your own personal financial goals.

5. Community Fundraising

Are you interested in holding a fundraiser for Ronald McDonald House? Whether it be a bake sale, a fashion show or any other activity you enjoy or are involved in, there are many ways for you, your family or your workplace to get involved and raise much needed funds for Ronald McDonald House. We have resources and fundraising staff that can help you get started.

Celebrate with us during the Lights of Love ceremony, which will be broadcast live on NTV's Sunday Evening News. Enjoy a festive evening filled with:

- Carols
- Candy canes
- Special guests
- Hot chocolate
- The arrival of Santa Claus!

Everyone is welcome to join in the holiday cheer and make this a night to remember. We look forward to celebrating with you!

JUDY CLANCY
Family Services Volunteer

Volunteer Spotlight

Judy Clancy

Our valued volunteers are at the heart of providing programs and services at Ronald McDonald House.

Judy's dedication to Ronald McDonald House Charities is truly inspiring. Her long-term commitment as a Family Services Volunteer since 2019 speaks volumes about her passion and generosity. She was drawn to our outstanding reputation for supporting families during their most challenging times, and it's clear that she's found a deep sense of fulfillment in contributing to our mission.

Judy's favorite aspect of volunteering is the warm and welcoming environment created by the staff and volunteers which not only enhances her volunteer experience but also aligns with her desire to give back in a meaningful way. Her regular shifts provide her with a comforting routine, which has been a valuable part of her transition into retirement.

Her reflections on the power of small gestures and acts of kindness are truly moving. It's incredible to see how her empathy and commitment have made a meaningful difference in the lives of sick children and their families navigating such challenging times. The impact of her kindness cannot be overstated; it has the ability to uplift and bring hope even in the midst of a child's medical struggle.

Thank you, Judy, for your unwavering dedication and for being a beacon of light. Her efforts have not only brightened the lives of countless families but have also set an inspiring example of how compassion can make a profound difference.
