## Spare Some Love for “The Rideout Family”

**Matthew Rideout** from Buchans, NL and his mom have been guests at RMHC NL since November 2024, when he was diagnosed with Hodgkins Lymphoma. Due to his diagnosis, they learned they would have to re-locate for to be closer to the children’s hospital.

Living 5 hours away from the hospital, Tracy knew that leaving the city wasn’t an option.

She needed to be close to Matthew. As a single income family, Tracy has had to defer her employment to be close to Matthew, staying anywhere other than RMHC NL was not an option. Here’s her first impression of their stay;

***“The volunteers and staff are second to none. RMHC NL is truly ‘a home away from home.’ Having other families around is also a form of comfort and support. Having a home cooked meal, baked goods, fresh brewed coffee and a warm room is such a huge blessing.” - Tracey Rideout***
